Marlow Voyager 76V

High-Performance Luxury with Unrivalled Trans-Atlantic Capability Class

The **Marlow 76V** redefines ocean-going luxury, blending transoceanic range with speed, safety, and timeless elegance. Capable of 4,000 nautical miles at approximately 8 knots for serene passage making or more than 1,100 miles at 18+ knots when time matters, she delivers unmatched versatility for discerning owners. Crafted with Marlow's proprietary Full-Stack Infusion construction and VelociJet Strut Keel®, the 76V ensures efficiency, stability, and comfort in all conditions, while her expansive accommodations and hand-finished details provide a refined haven for owners, guests, and crew on extended voyages. Wherever the journey leads, the Marlow 76V guarantees arrival with confidence and style.
